

Hurricane Hunters

Name _____ Date _____

1. What are *hurricane hunters*? What do they do?

2. How fast can hurricane winds blow?

3. Have you ever been in a hurricane? If so, what was it like? If not, describe what you think it would be like to be in a hurricane.

4. Do you think hurricane hunters could study other kinds of weather, such as tornadoes? Explain your answer.

5. Would you like to be a hurricane hunter? Why or why not?

Teacher Instructions: Have students write their responses on this sheet or on separate paper.
