

Adventures of the Atlantic Spotted Dolphin

Name _____ Date _____

1. In dolphin communities, what is a *pod*?
2. How did the mother dolphin get her daughter to rejoin the group?
Why is it important for the dolphins to stay together?

3. If something is too far away to see, can a dolphin still identify it? How?

4. How did the dolphins scare off the hammerhead shark? With a group of classmates, demonstrate the dolphins' behavior.
5. Do you think the dolphins were frightened when the hammerhead shark was nearby? Why or why not?

Teacher Instructions: Have students write their responses on this sheet or on separate paper.
