

Grizzly Bears Compete with a Wolf

Name _____ Date _____

Directions: Write your responses on this sheet or on separate paper.

1. Summarize what is happening in this video clip. Why is this video an example of competition within a food web?

2. Why do you think the bears and the wolf keep visiting the same spot?

3. Are the animals shown in this video herbivores or carnivores?

4. How do grizzly bears and wolves fit into a forest food web? Draw a model on the back of this sheet.

5. In this situation, would you hope that the bears eat the elk carcass, the wolf eats the elk carcass, or they share the meal? Explain your answer.
