

# Marine Food Web

Name \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** Write your responses on this sheet or on separate paper.

1. What do the green circles at the beginning of the video represent?

2. What process is demonstrated in this video?

3. Are the animals shown in this video carnivores or herbivores? How do you know?

4. From what source do all of these organisms ultimately get their energy?

5. Why do you think the fish in this video are biggest at the end?
