

Creatures of the Deep: Chimaera

Name _____ Date _____

Directions: Write your responses on this sheet or on separate paper.

1. What is the skeleton of the chimaera made of?

2. What are the dots on the chimaera's face, and how does the chimaera use them?

3. How would you compare and contrast a chimaera with a more familiar fish species?

4. Would you want to live in the deep ocean as a chimaera does? Why or why not?

5. Chimaeras live far below the surface of the ocean where there is no sunlight. Do you think these animals can see? Explain your answer.
