

Creatures of the Deep: Anglerfish

Name _____ Date _____

Directions: Write your responses on this sheet or on separate paper.

1. What is the most noticeable feature of the anglerfish, and what is this feature used for?

2. What adaptations allow an anglerfish to swallow prey twice its size?

3. What are the similarities and differences between anglerfish and other fish you may be familiar with?

4. Would you want to live in the deep ocean, as an anglerfish does? What do you think it would be like?

5. Why does the narrator of this video describe creatures living deep below the surface of the ocean as *bizarre*?
