

Name _____ Date _____

Directions: Write your responses on this sheet or on separate paper.

1. How do you think scientists created this video?

2. Why do you think the air around the volcano is so hazy or cloudy?

3. What happens to the lava after it flows out of the volcano's cone? Why do you think this is so?

4. What do you think it would feel like to be this close to a volcano when it begins to erupt?

5. Are there any volcanoes near where you live? Why or why not?
