

# Greenland's Grand Canyon

Name \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** Write your responses on this sheet or on separate paper.

1. Why do you think this video is called *Greenland's Grand Canyon*?

2. What is revealed when the ice sheet is removed from Greenland?

3. Why do you think the mapmaker used different colors on the land?  
What evidence can you use to support your answer?

4. Much of the land is covered with ice. How might scientists study it?

5. Why do you think people who lived in Greenland hundreds of years ago didn't know this giant canyon existed?
