

Greenland's Grand Canyon

Name _____ Date _____

1. What can you see on the land when the ice is removed from the map of Greenland?

2. Why do you think the land is shown in different colors?

3. How is a *canyon* different from a *mountain*?

4. People had to use special cameras to find out that there was a deep canyon in Greenland. Why didn't they know about it before?

5. Why do you think the video is called *Greenland's Grand Canyon*?

Teacher Instructions: Have students write their responses in the space provided or on separate paper.
